Bloomingdale High School Chorus
New York City Trip
June 13-16, 2019

Who is eligible?

Any student currently registered in the Bloomingdale High School Chorus program for the 2018-2019 school year! There may be a cap on the number of students who can participate, so students will be accepted in the order their deposits are received. Students with disciplinary issues at the school will not be allowed to participate. Students must maintain appropriate GPA (2.0) per Hillsborough County Schools.

What if I graduate in May 2019? Can I still go?

YES!!! Seniors graduating prior to the trip are still welcome to attend. However, if you choose to attend, you will be treated as a student for the duration of the trip. All rules, curfews, etc. still apply to you, and your disciplinary action for breaking them will be handled by the NYPD…not Bloomingdale High School!

What about chaperones?

We can take an unlimited number of adult chaperones (21 years old and up), who complete the school district's fingerprinting/security screening for overnight field trips.

How will we travel to NYC?

We will fly (probably from Tampa) to New York. Students will be dropped off and picked up at the airport here in Florida, and we will have bus transfers between the airport and hotel in New York. While in the city, we will get from place to place by walking, and utilizing the subway system. (Don't worry…I've taken groups of students on the New York City Subway before, and I know how to make it work!)

How much does it cost?

The cost for both students and chaperones will be $1700 per person. This includes flights, bus connections in NYC, limited Subway use, hotel accommodations (quad for students; double for adults), rehearsals and performance in Carnegie Hall, attendance at a Broadway show, some meals (3 breakfasts and 2 dinners), and various other sightseeing opportunities. Refer to the payment schedule in this packet.

When do I have to decide?

A $300 non-refundable deposit (per person) will be due by Wednesday, October 31 in order to secure your place on the trip. It may be possible to add onto the trip after that date, provided the maximum number of students has not been reached. However, if there are not a minimum of 20 depositing students by October 31, the trip will be canceled entirely, and deposits returned.
